

Who We Are, What We Do

Since 2000, CPBO has offered support to in-house lawyers, legal departments, and ACC chapters, providing confidential consultation services, online resources, trainings, surveys, research materials, and onsite pro bono clinics. How We Can Help

CPBO offers free consultation services to help departments and ACC chapters successfully establish and develop pro bono programs.

CPBO offers a suite of off-the-shelf Clinic in a Box® models designed to offer pro bono opportunities for in-house counsel to use their transactional skills to help nonprofits and small businesses.

CPBO can assist in identifying appropriate partners for a legal department or ACC chapter's pro bono effort and structuring sustainable and effective partnerships.
